MATHEMATICS LECTURER POSITION

The University of Wisconsin-Marshfield/Wood County and the University of Wisconsin Colleges Mathematics Department invite applications for a mathematics instructor (rank of Associate Lecturer, Lecturer, or Senior Lecturer depending on educational background and experience) for Fall of 2015. The UW-Marshfield campus is one of 13 campuses that comprise the UW Colleges (www.uwc.edu), a freshman-sophomore transfer institution within the UW System. The UW Colleges offer an excellent liberal arts and pre-professional education for students beginning work toward a bachelor’s degree.

Position/Course Description

Teaching responsibilities include an array of courses in the discipline and may include (but not limited to):

- Elementary Algebra (MAT 091, 4 credits, 4 contact hours),
- Introduction to College Algebra (MAT 105, 3 credits, 3 contact hours),
- Quantitative Reasoning (MAT 108, 3 credits, 3 contact hours).
- College Algebra (MAT 110, 3 credits, 3 contact hours),
- Geometry for Elementary Teachers

Opportunities for other levels of instruction may be available depending on qualifications and experience of candidate. Instructor will prepare course syllabi, teach courses, and hold office hours for students.

Qualifications

- Bachelor’s Degree with a Mathematics Major for instructing MAT 090-091
- Master’s Degree in Mathematics or Mathematics Education for instructing MAT 105 or higher level courses.
- Preference will be given to candidates with successful college teaching experience.

Appointment:
Instructional Academic Staff appointments are given each semester, and this appointment will be for the Fall 2015 semester. The contract for fall begins August 26, 2015.
Salary
Base salary is determined by Rank (Associate Lecturer, Lecturer, Senior Lecturer) and by overall level of appointment in the UW Colleges. Rank is determined by highest degree attained and university teaching experience and is determined at the time of hire in consultation with the department chair.

For more information on salary and compensation, please contact Dr. Iddi Adam, Associate Dean at iddi.adam@uwc.edu

Benefits
Lecturers are unclassified instructional academic staff. Academic staff appointees meeting requirements for participation in the Wisconsin Retirement System are eligible for sick leave benefits as described in the UW System Unclassified Personnel Guidelines #10. Additional information regarding benefits can be found at www.uwex.uwc.edu/hr/benefits as well as by individual consultation and group presentation with a benefits specialist upon hire.

Dates of Employment
The Fall semester contract dates begin on August 26, 2015.

Application Deadline
Applications will be reviewed as they are received and will be accepted until the position is filled.

Application
If you are interested in this position and believe you are qualified, please e-mail the following to both UW-Marshfield Associate Dean, Dr. Iddi Adam at iddi.adam@uwc.edu and to Dr. Kavita Bhatia, Chair of the Mathematics Department at Kavita.bhatia@uwc.edu

- short letter of application
- curriculum vitae
- names, phone numbers and e-mail addresses of 3 references, especially those who are familiar with your teaching
- copies of all university transcripts (official or unofficial)
- A statement of whether the applicant wishes to have the application held in confidence or made available to the public upon request. If requested, confidentiality of an application can be maintained until an applicant is deemed a finalist in the search. There is no penalty to applicants who wish to have their applications held in confidence.

For further information, please contact Dr. Iddi Adam, Associate Dean, UW-Marshfield/Wood County at 715-389-6527 or by email at iddi.adam@uwc.edu
Employment will require a criminal background check.

Employment is contingent on establishment of identity and verification of employment eligibility as required by the Immigration Reform and Control Act of 1986. The University of Wisconsin Colleges is an Equal Opportunity/Affirmative Action institution committed to diversity and inclusiveness among its employees and in its programs, and actively seeks and encourages applications from women, minorities and persons with disabilities.

THE CAMPUS:

The University of Wisconsin Colleges is the freshman-sophomore liberal arts transfer institution within the world-renowned University of Wisconsin System. The UW Colleges comprises thirteen 2-year campuses around the state, each of which offers an excellent liberal arts and pre-professional education for students beginning work toward a bachelor’s degree. UW-Marinette/Frontier Community College is located in the Central Wisconsin community of Marshfield, a city of 20,000, with one of the largest private medical clinics and research institutes in the nation. The campus serves approximately 650 students who enjoy individual attention and one-on-one advising from faculty and staff who are dedicated to teaching excellence. Most students transfer to a 4-year degree granting UW institution, (UW-Stevens Point, UW-Eau Claire, and UW-Madison, are common choices) or to other public or private universities. The UW Colleges also offers a Bachelor of Applied Arts and Sciences at six of its campuses. UW-Marinette/Frontier Community College provides community outreach through educational and cultural arts programming. Marshfield is approximately 2 ½ hours north from Madison and 3 hours east from Minneapolis.

Additional information about UW-Marinette/Frontier Community College can be found at www.marinette.uwc.edu. Information regarding the city of Marshfield can be found at http://ci.marshfield.wi.us/
