**Re: SFM Foundation Scholarship Opportunity**

Dear School Placement Counselor,

The SFM Foundation provides scholarships to students whose parents were killed or seriously injured in workplace accidents while working for Minnesota, Iowa, or Wisconsin employers.

I am writing today to ask for your help in identifying students who would benefit from these scholarships, and encouraging them to apply by March 31, 2017, using the application form available at [www.sfmfoundation.com](http://www.sfmfoundation.com).

At up to \$10,000 per year, for up to five years, these scholarships are substantial enough to make a real difference for these students. SFM Foundation was created in 2008, and in our first eight years we have awarded approximately \$1.1 million in scholarships.

I really appreciate anything you can do to make students aware of this opportunity. **If you have the ability to add this scholarship information to your school's website, it would be particularly helpful.**

Thank you for your time. If you have any questions, give me a call toll-free at (855) 621-2076 or email me at [debra.zorn@sfmfoundation.com](mailto:debra.zorn@sfmfoundation.com).

Sincerely,

Debra L. Zorn  
SFM Foundation Scholarship Director
