Dear Associate Dean Nielsen:

Our shared commitment to student success is reflected in the impressive number of students from the UW College System electing to complete their studies by enrollment at the University of Wisconsin Oshkosh. The exceptional quality of the education that they receive at your UW College makes us extremely proud to continue our scholarship commitment to your students. Once again we would like offer one \$1,000 scholarship for a student of demonstrated ability.

Please nominate one of your students with a cumulative grade point average of 3.3 or higher by completing the enclosed form. The information you supply to us will help us to ensure that a representative from UW Oshkosh can attend your campus awards ceremony or program.

This is a very successful program and we are proud of the strong ties that are thus established between our two institutions. By working together, we help make possible the personal goals and professional aspirations of the fine students entrusted to our care.

Sincerely,

Andrew J. Leavitt
Chancellor
