CENTRAL WISCONSIN ART EDUCATORS’ EXHIBIT
September 15 – October 31, 2014
UW-Marshfield/Wood County
Gallery 450

Dear Art Educator:

You are cordially invited to participate in an exhibition of art at UW Marshfield/Wood County in celebration of our 50th anniversary. All art educators teaching within a 35 mile radius of Marshfield are being invited to exhibit a piece of art work. All work must be original in concept and execution. Work in all media will be displayed with some restrictions due to space considerations:

- 2-D work such as paintings, drawings, prints should be ready for hanging and no larger than approximately 3x5 ft.
- There are a limited number of Plexiglas covered pedestals and display cases for smaller 3-D work in ceramics, metals, sculpture. We are sorry we do not have space for large sculptural pieces or installations.

Work on display is insured and may be for sale or not as you wish. We do not take any commission on work sold.

Please contact us by email or phone with your intent to exhibit by June 20th

Include:

Your name and the school you teach at and your contact information
The type of work you wish to exhibit (2-D or 3-D) along with the title, dimensions and price/insurance value

Once we receive your intent to participate in this exhibition, we will provide more information as to submission of materials for publicity, delivery of work and reception date. The tentative exhibition calendar will be:

**June 20**    **Send your intent to exhibit**
**August 25 – September 3**  **Work to arrive at Gallery 450 (specific times/days TBA)**
**September 15 – October 31**  **Exhibition Dates**
**Reception Date (TBA)**
**November 1-2**  **Pick-up Work**

If you have any questions, please contact us.

We look forward to celebrating the work and contributions made by the art educators of Central Wisconsin.

Sincerely,

Professor Kitty Kingston, Chair  
UW Colleges Art Department
