**Important FALL Registration Information**

We have a new online registration system!

There are many advantages to the system:
- You can create your own account and register both yourself and “multiple” users in the same transaction.
- Each of the fall courses are grouped under main headings such as Computers and Technology, Personal Enrichment, etc.
- It is similar to other systems when you purchase online products.

With this registration system, there will be changes in how we accept payment. You may have noticed your credit company is issuing new cards which include a “chip.” This upcoming change will end our traditional credit card swiping and the credit card machine in our office will no longer be available. We will continue to accept checks and cash for payment.

We ask you try the registration system at https://ce.uwc.edu/marshfield/catalog which will be the most efficient form of payment.

Should you call in, we will need to manually enter information to process your registration with you.

Thanks for your patience and we hope you find classes as you continue your journey of lifelong learning.

---

**Four easy ways to register:**

1. **Online**- Register online at https://ce.uwc.edu/marshfield/catalog
2. **Mail**- Send in your completed registration form below.
3. **Telephone**- Call our office at (715) 389-6520 so we can guide you through the new online registration system.
4. **Walk In**- Register in person in the CE Office (Room 107, located in the W.W. Clark Administration Building) during any of our office hours (M-R, 8:00am-4:30pm).

If we are away from the office, feel free to drop your registration & payment into the lock box outside our office.

Pre-registration is required for all classes. Registrations, along with course fees are due prior to the start of class.

**Refund Policy**

Refunds for classes are not available once a class begins. Any cancellation request received within one week prior to a class start date will be issued a refund; otherwise, a processing fee applies. **Sorry, we cannot honor cancellations for travel food, beverage classes or classes that require pre-ordering of materials.**

Refunds will automatically be issued if a class is cancelled for any reason.

**Weather Related Cancellations:** Check our UW Website (marshfield.uwc.edu/about/overview/cancellations) or listen to WDLB, AM 1450, for a list of cancellations.

Become a CNA
HES 150: Introduction to Patient Care

Learn how to provide a compassionate, supportive and safe environment for all residents with healthcare needs; the frail elderly, the physically and developmentally disabled and mentally ill. The course teaches you how to be able to assist with activities of daily living, be observant to changes in health and attend to the resident’s physical comfort and how to give emotional and social support to the resident and the family. This 137 hour application and performance course teaches principles and procedures in emergency, home, hospital, and nursing home medical care. Upon successful completion, students will be eligible to sit for the State of Wisconsin Nurse Aides Exam held on our campus.

Class starts on Thursday, September 3.
Please register by Friday, August 21.

*Fun for the Whole Family!*

Sister Act!
at Chanhassen
Chanhassen is pleased to produce another Midwest Premiere! Direct from Broadway, *Sister Act* is the feel-amazing musical comedy smash called, “Ridiculously Fun,” by the New York Post. Featuring original music by 8-time Oscar-winner, Alan Menken, Sister Act tells the hilarious story of Deloris Van Cartier, a wannabe diva whose life takes a surprising turn when she witnesses a crime and the cops hide her away in the last place anyone would expect – a convent!
Set around the Christmas holidays, Deloris helps her fellow sisters find their voices as she also rediscovers her own in a sparkling tribute to the universal power of friendship.

---THE UNIVERSITY FOUNDATION ---
The University Foundation of UW-Marshfield/Wood County launched a $6 million campaign to build a new STEM (Science, Technology, Engineering, Math) building and to renovate the existing science facility. The main goal is to update and modernize STEM teaching areas and to respond to increasing changes in the STEM disciplines. Through the generosity of individuals, businesses, foundations and organizations it has raised $3.2 million as of July. The new facility will be named the Everett Roehl STEM Building in recognition of Mr. Roehl’s significant gift to the campaign.

You can help UW-M/WC continue to change lives and build futures. Invest in your local University of Wisconsin campus to provide education for future generations. Donate online at marshfield.uwc.edu/STEM or call 715-384-1703.
